MEMORANDUM TO FILE

TO: File

FROM: Toni Loper, Public Utility Analyst II

SUBJECT: **IN THE MATTER OF THE APPLICATION OF NOBLE AMERICAS ENERGY SOLUTIONS, LLC FOR A CERTIFICATE TO PROVIDE ELECTRIC SUPPLY SERVICE WITHIN THE STATE OF DELAWARE (FILED NOVEMBER 3, 2010 AND AMENDED DECEMBER 1, 2010) – PSC DOCKET NO. 10-390**

On December 6, 2016, Noble Americas Energy Solutions, LLC (“Noble Americas” or the “Company”)¹, filed an application with the Delaware Public Service Commission (“Commission”) requesting a name change to Calpine Energy Solutions, LLC.

In their filing, the Company provided the Certificate of Good Standing from the Delaware Secretary of State, and a State of Delaware Certificate of Amendment filed with the Delaware Division of Corporations. On January 31, 2017, Staff requested additional information regarding the name change to include: a) a copy of the Delaware Business License issued by the Delaware Division of Revenue, and b) a statement of impact on current contracts as well as the date and method of notification to customers of the name change. On February 9, 2017, the Company provided the requested information to the Commission.²

It does not appear that the requested name change will affect electric supply service to any Delaware customers. The Company’s application states that all existing terms and conditions with existing customers will continue in force and effect, without modifications in service.

¹ The original CPCN certification was granted to Sempra Energy Solutions, LLC in PSC Docket No. 03-43, Order No. 6138 issued April 15, 2003. Sempra requested an amendment to the certification to reflect a name change to Noble Americas Energy Solutions, LLC on December 1, 2010.

² The Company asserted in their response dated February 9, 2017, that customers were notified via U.S. Mail dated December 1, 2016. Additionally, the Company provided a copy of the Delaware Business License.

PSC Docket No. 10-390

February 15, 2017

The Company's request for a name change appears to be reasonable and meets the requirements of Supplier Rules. Staff, therefore, recommends the Commission recognize the name change.
